

- 1 **Q. Page 3-5, Table 3-3: What cost increase in purchases from Hydro has been assumed**
2 **for 2018-2020 flowing from Hydro's current general rate application proceeding?**
3
4 A. Newfoundland Power's 2019 and 2020 Test Year purchased power costs currently reflect
5 the July 1, 2017 Utility Rate approved in Order No. P.U. 22 (2017). The purchased
6 power costs do not reflect the July 1, 2018 Utility Rate approved in Order No. P.U. 15
7 (2018).
