

1 Q. Has the COVID-9 pandemic had any effect on Hydro's regulatory operations?

2

3

4 A. In general, Newfoundland and Labrador Hydro ("Hydro") continues to meet the scheduled  
5 timelines for its required regulatory filings. Hydro notes that while some filings have been  
6 delayed due to the COVID-19 pandemic, Hydro's Regulatory Affairs Department is focusing its  
7 efforts on key regulatory filings so as to minimize the impact on any operational activities or key  
8 regulatory processes.
