

1 Q. **Reference: Application, Page 3, Paragraphs 12 and 13**

2 Given the significant uncertainties cited by Hydro with respect to the commissioning of the
3 Muskrat Falls Project, Government's rate mitigation plan, and restructuring of the Muskrat Falls
4 PPA, did Hydro consider deferring the determination of an appropriate test year until there is
5 more certainty regarding the timing of filing its next GRA?

6

7

8 A. Please refer to Newfoundland and Labrador Hydro's responses to NP-NLH-001 and PUB-NLH-
9 008 of this proceeding.
