Ladies and Gentlemen:

**Re: Application for Approval to Issue a One-Time Bill Credit to Newfoundland Power Customers in accordance with Order in Council OC2020-081**

On June 1, 2020, Newfoundland Power submitted an application (the "Application") seeking the Board's approval of, among other things, the provision of a one-time bill credit to its customers in accordance with the Government of Newfoundland and Labrador's directive to the Board in Order in Council OC2020-081.

By letter dated June 2, 2020, the Board established a schedule for expedited review of the Application, reflecting the practical requirement for timely approval to enable implementation of the bill credit process by July 1, 2020.

On June 4, 2020, the Board issued 6 Requests for Information ("RFIs") in respect of the Application. Newfoundland Power responded to the Board's RFIs on June 8, 2020.

By letters dated June 2, 2020 and June 10, 2020, respectively, the Consumer Advocate and Newfoundland and Labrador Hydro indicated their support of the Application.

In accordance with the Board's review schedule for Newfoundland Power's final submission on the Application, we respectfully request that the Board issue an order approving the Application as submitted. If anything further is required from Newfoundland Power, please contact the undersigned.

Yours truly,

A handwritten signature in blue ink, appearing to read "Gerard M. Hayes".
