Attention: Ms. Cheryl Blundon
Director Corporate Services & Board Secretary

Dear Ms. Blundon:

Re: Long-Term Supply for Southern Labrador – Phase 1

Newfoundland and Labrador Hydro ("Hydro") requests that the review schedule for its application regarding Hydro's proposed project for the long-term supply for southern Labrador be paused at this time. Hydro has reviewed the correspondence from various parties, provided by the Board of Commissioners of Public Utilities ("Board") on November 5, 2021, regarding Hydro's application. Hydro has also been in discussions with parties in southern Labrador regarding the project. A cessation in the review schedule will allow for continued stakeholder engagement and consultation to ensure the greatest possible alignment and understanding among all parties. Hydro will provide an update to the Board regarding the outcomes of the stakeholder engagement, and Hydro's proposal, prior to year-end.

Should you have any questions, please contact the undersigned.

Yours truly,

NEWFOUNDLAND AND LABRADOR HYDRO
