

1 Q. **Reference: Schedule 1 – Long-Term Supply for Southern Labrador – Phase 1: Appendix A**
2 **Stakeholder Engagement**

3 Please confirm if any of the engagements discussed possible integration of community activities
4 with Hydro's proposed alternatives so as to promote community growth (e.g., waste heat
5 opportunities).

6

7

8 A. Please refer to Newfoundland and Labrador Hydro's ("Hydro") response to LAB-NLH-008. There
9 were no additional discussions related to integration of community activities with Hydro's
10 proposed alternative.
