

1 Q. Are Hydro's diesel gensets in remote communities insured for damage or destruction and, in
2 particular, was Unit 2089 covered by insurance? If so, has Hydro submitted an insurance claim
3 for Unit 2089 and what are the results of that insurance claim?

4

5

6 A. Newfoundland and Labrador Hydro has property insurance for the diesel generating stations
7 and assets. The current deductible is \$10 million. The loss of a single unit is well below the
8 deductible.
