

1 Q. **Reference: BKL-NLH-021(f)**

2 The response to BLK-NLH-021(f) was that “historical exports of Recapture Energy have primarily
3 been to the New York wholesale market”. How does the illustration in Table 3 of 2.3.6 on page
4 11 of “**Schedule 1 – Evidence**” compare with actual sales in New York and New England from
5 January 1, 2020 – April 30, 2023?

6

7

8 A. Table 1 highlights the split of annual sales between New York and New England; the sales split
9 percentages excludes sales to other markets.

**Table 1: Market Split of New York and New England Sales
January 2020–April 2023
(%)**

Market Split	2020	2021	2022	2023 YTD¹ April	Average from 2020 to April 2023
New York	68	68	74	58	69
New England	32	32	26	42	31

¹ Year-to-date (“YTD”).
