Dear Sirs/Madam:

Re: Newfoundland Power Inc. – 2022-2023 General Rate Application – Consumer Advocate's Revised Witness List

The Board is in receipt of the Consumer Advocate's Revised Witness List filed on October 19, 2021. The Board notes that the scheduled date for filing expert reports and pre-filed evidence was September 28, 2021 and that the Consumer Advocate did not file an expert report or pre-filed evidence by John D. Todd at that time. The date for the filing of requests for information on expert reports and pre-filed evidence has also passed with responses due on Monday, October 25, 2021.

A request from the Consumer Advocate for an amendment to the schedule to allow evidence to be filed will need to be submitted to the Board. The request should outline the nature of the evidence to be provided by the proposed witness, its relevance to the General Rate Application and an explanation for the evidence not being filed in accordance with the established schedule. Newfoundland Power and Newfoundland and Labrador Hydro will be provided the opportunity to file their comments on the request.

The request to allow for additional evidence to be filed must be submitted to the Board by Friday, October 22, 2021. Comments from the parties are to be filed by Tuesday, October 26, 2021.

If you have any questions, please do not hesitate to contact the Board's Legal Counsel, Ms. Jacqui Glynn, by email, jglynn@pub.nl.ca or telephone (709) 726-6781.

Sincerely,

Cheryl Blundon
Board Secretary
