

- 1 **Q.** **Reference: *Fair Return for Newfoundland Power (NP)*, Evidence of**
2 **Laurence D. Booth, September 28, 2021, page 36, line 12.**
3
4 ***“This indicates that Newfoundland and Labrador is not a poor province.”***
5
6 **Please describe all economic information relied upon by Dr. Booth in**
7 **assessing Newfoundland Power’s business risk.**
8
9
10 **A.** Dr. Booth largely relied on historical forecast data from RBC and the data
11 contained in the Big Reset referenced on page 36 and included in the
12 discussion on pages 36-39.
