

- 1 **Q. (Reference Application, 2023 – 2027 Capital Plan, page 12) It is stated “A**
2 ***system planning study is being conducted to inform the long-term plan for***
3 ***these gas turbines.” Please provide details of this study. Will it include***
4 **customer-owned generation alternatives, for example, backup supply at**
5 **critical facilities such as hospitals?**
6
- 7 A. The system planning study will evaluate options to address the reliability impacts of
8 removing the aging Greenhill and Wesleyville gas turbines from service. See the
9 response to Request for Information PUB-NP-019 for a list of the alternatives being
10 considered.
11
- 12 Yes, the alternatives being considered include customer-owned generation.
