

1 **Re Wood Pole Line Management (WPLM) Program, page B-13:**

2 Q. To Hydro's knowledge, is any other North American utility implementing a
3 program similar to the WPLM Program?

4

5

6 A. There are a number of utilities in Canada who have very similar programs
7 with respect to inspection, treatment and maintenance of wood pole line
8 systems. These utilities include BC Hydro, Hydro One and Manitoba Hydro.
