

1 **Re Refurbish Fuel Storage Facility (Holyrood), page B-2:**

2 Q. Confirm that the Fuel Storage Facility will not be required if the Lower  
3 Churchill Project, with Island infeed, proceeds, and that a decision on  
4 whether the Project will be sanctioned is still expected by Hydro in 2009.

5

6

7 A. The Fuel Storage Facility will not be required after completion of the Lower  
8 Churchill Project and the HVDC transmission system to the Island of  
9 Newfoundland. Project sanction is scheduled for 2009. In any case, the  
10 facility will be required until at least 2015.
