

1 **Re: D-53, Purchase High Definition Infrared Camera, Central, \$86,900**

2 Q. In which Order of the Board can approval be found for the purchase, in 2006,  
3 of the five cameras which were purchased by Hydro at a cost of \$65,200?

4

5

6 A. The purchase of the five cameras was part of the tools and equipment less  
7 than \$50,000 budget. Therefore, there was no Order of the Board for  
8 approval. The cost of each camera was approximately \$13,000 and was  
9 purchased for Hydro facilities at Whitbourne, Stephenville, Bishop's Falls,  
10 Port Saunders and Happy Valley.
