

1 **Re: D-62, Install Pole Storage Ramps, Various Sites, \$76,900**

2 Q. Please provide a plan and a time line for future installations of pole storage
3 ramps at diesel plant sites.

4

5

6 A. Hydro plans to install pole storage ramps at 14 diesel plant sites over the
7 next five years. The schedule is as follows:

- 8 • 2009 - Install ramps at Nain and Postville.
- 9 • 2010 - Install ramps at Hopedale, Natuashish and Makkovik.
- 10 • 2011 - Install ramps at Rigolet, Cartwright and Black Tickle.
- 11 • 2012 - Install ramps at Charlottetown, Port Hope Simpson and
12 William's Harbour.
- 13 • 2013 - Install ramps at Norman Bay, Mary's Harbour and St. Lewis.

14

15 In Hydro's 2009 Capital Budget Application, Volume 1, Tab '2009 Capital
16 Plan', Appendix A, Page xi, the entry for Install Pole Storage Ramps –
17 Various Sites shows the budget estimate of \$76,900 for the 2009 installations
18 and Page ix, the entry for Install Pole Storage Ramps – Various Sites shows
19 the budget estimates of \$120,200, \$123,700, \$127,600 and \$131,500 for
20 2010 to 2013 installations, respectively.
