Attention: Ms. G. Cheryl Blundon
Director of Corporate Services and Board Secretary

Dear Ms. Blundon:

Re: 2009 Newfoundland Power Capital Budget Application

Further to the above-captioned Application, this will advise, in the expectation that this Application will not raise any procedural or other issues which would impact upon capital project filings by Newfoundland and Labrador Hydro, that the Industrial Customers do not intend to make submissions or otherwise intervene in the Application.

If, unanticipatedly, it does subsequently become apparent that this Application will raise procedural or other issues which would impact upon Hydro capital filings, then the Industrial Customers would reserve the right to seek to intervene, on such basis as the Board might then allow.

We trust this in order.

Yours truly,

Stewart McKelvey
