- Q. Please provide a listing of the projects that are included in each of the Classifications (Normal, Justifiable), Methods (Identified Need, Historical Pattern) and Segment (by range of dollar value).
- 8 9 10

11

A. Table 1 includes a list of projects with their Classification (Normal, Justifiable), Costing Method (Identified Need, Historical Pattern) and Segment (by range of dollar value) identified.

Table 1 Projects Listed by CBA Guidelines

| Project | Classification | Costing Method | Segmentation |
|--|--------------------|-----------------------|--------------|
| Generation - Hydro | | | |
| Rocky Pond Refurbishment | Identified Need | Normal | >\$500,000 |
| Facility Rehabilitation | Identified Need | Normal | >\$500,000 |
| Rose Blanche Spillway | Identified Need | Justifiable | >\$200,000 |
| Generation – Thermal | | | |
| Facilities Rehabilitation | Identified Need | Normal | <\$200,000 |
| Substations | | | |
| Refurbishment & Modernization | Identified Need | Normal | >\$500,000 |
| Replacements In-Service Failure | Historical Pattern | Normal | >\$500,000 |
| Horse Chops Transformer | Identified Need | Normal | >\$500,000 |
| Transmission | | | |
| Transmission Rebuilds | Identified Need | Normal | >\$500,000 |
| Distribution | | | |
| Extensions | Historical Pattern | Normal | >\$500,000 |
| Meters | Historical Pattern | Normal | >\$500,000 |
| Services | Historical Pattern | Normal | >\$500,000 |
| Street Lighting | Historical Pattern | Normal | >\$500,000 |
| Replace Mercury Vapour Street Lights | Identified Need | Justifiable | >\$500,000 |
| Transformers | Historical Pattern | Normal | >\$500,000 |
| Reconstruction | Historical Pattern | Normal | >\$500,000 |
| Rebuild Distribution Lines | Identified Need | Normal | >\$500,000 |
| Relocate/Replace Lines for 3 rd Parties | Historical Pattern | Normal | >\$500,000 |
| Distribution Reliability Initiative | Identified Need | Normal | >\$500,000 |
| Feeder Additions for Growth | Identified Need | Normal | >\$200,000 |
| AFUDC | Historical Pattern | Normal | <\$200,000 |
| General Property | | | |
| Tools & Equipment | Historical Pattern | Normal | >\$500,000 |
| Additions to Real Property | Historical Pattern | Normal | <\$200,000 |

Table 1 (continued) Projects Listed by CBA Guidelines

| Project | Classification | Costing Method | Segmentation |
|-------------------------------------|--------------------|-----------------------|--------------|
| Transportation | | | |
| Purchase Vehicles | Identified Need | Normal | >\$500,000 |
| Telecommunications | | | |
| Replace Communications | Historical Pattern | Normal | <\$200,000 |
| equipment | | | |
| Fibre Optics Replacement | Identified Need | Justifiable | >\$200,000 |
| Information Systems | | | |
| Application Enhancements | Identified Need | Justifiable | >\$500,000 |
| System Upgrades | Identified Need | Normal | >\$200,000 |
| PC Infrastructure | Identified Need | Normal | >\$200,000 |
| Shared Server | Identified Need | Normal | >\$500,000 |
| Network Infrastructure | Identified Need | Normal | <\$200,000 |
| Mobile Computing | Identified Need | Justifiable | >\$200,000 |
| MS Enterprise Agreement | Identified Need | Normal | >\$200,000 |
| Unforeseen Allowance | | | |
| Unforeseen Items | Historical Pattern | Normal | >\$500,000 |
| General Expenses Capitalized | | | |
| General Expenses Capitalized | Historical Pattern | Normal | >\$500,000 |
