

1 Q. **Replace Light Duty Mobile Equipment - 2010; Vol II, Tab 21**

2 What was the cost of each ATV and snowmobile and what does Hydro expect to get
3 for each upon sale?

4

5

6 A. Regular ATVs cost approximately \$7,500.

7 ATVs with a dump cost approximately \$9,400.

8 Long Track Snowmobiles cost approximately \$7,500.

9 Hydro sells equipment at public auction and the selling price varies depending on

10 buyer demand and condition of the equipment. Typically the average bid price

11 would be \$1,500 for ATVs and \$1,000 for snowmobiles.
