

1 Q. **Install Warm Air Make-up Access, Vol. II, (*sic*) p. D-6**

2 What is the Remote Access Technology rescue team and are they hired each time a
3 NLH employee enters into the Warm Air Make Up Enclosures?

4

5

6 A. Remote Access Technology Inc. is a specialist contractor, with services including
7 providing teams trained in various rescue activities that are hired at the Holyrood
8 facility whenever regulations require standby rescue services. Entry into the
9 confined space of the Warm Air Make-up Enclosures is an activity requiring standby
10 rescue services.
