

1 Q. **Re Upgrade Plant Access Road, page B- 10**

2 Is the Access Road a Provincial roadway? Is it used or able to be used by users other
3 than Hydro? Does Hydro in any way control or monitor use of the road by users
4 other than Hydro? Can Hydro provide any information about how deterioration of
5 the road has been contributed to by users of the road other than Hydro?

6

7

8 A. Please see the report entitled *Upgrade Access Road at the Bay d'Espoir*
9 *Hydroelectric Generating Station* submitted to the Board August 31, 2009. The use
10 of the road by others is a very small contributor to the road condition.
