

1 Q. **Re Upgrade Plant Access Road, page B- 10**

2 Should the Board approve this Project, will Hydro obtain title to the Access Road or  
3 in any way control use of the road by users other than Hydro so as to eliminate or  
4 minimize any deterioration to the road that would be caused by non-Hydro traffic?

5

6

7 A. Please see the report entitled *Upgrade Access Road at the Bay d'Espoir*

8 *Hydroelectric Generating Station* submitted to the Board August 31, 2009. It is not

9 Hydro's intention to obtain title to the road or to seek control of the use of the road

10 by others. Non-Hydro use is not considered a significant contributor to road

11 deterioration.
