6
7 A. Four heavy fleet vehicles which met the “threshold age or level of usage” for
8 replacement in 2009 are proposed for replacement in the 2010 Capital Budget.

9
10 Thirteen of the sixteen passenger vehicles which met the “threshold age or level of
11 usage” for replacement in 2009 are proposed for replacement in the 2010 Capital Budget.
12 The three other passenger vehicles were replaced in 2009 due to the requirement for
13 significant repair.
