

1 **Q. Personal Computer Infrastructure - p. 84 of 96 - Please confirm that the \$430,000**
2 **sought for this project includes the cost associated with purchasing the ruggedized**
3 **laptops.**

4
5 A. The \$430,000 proposed for the Personal Computer Infrastructure project does not include
6 the cost associated with purchasing the ruggedized laptops.

7
8 As referenced on page 84 of Schedule B (paragraph 2) “Thirty-five of these laptops are
9 required for the Vehicle Mobile Computing Infrastructure project in 2010, and their cost
10 is included in that project.”
