Ladies & Gentlemen:

**Re: 2010 General Rate Application
Application for Approval of Interim Rates**

On November 20, 2009, Newfoundland Power submitted an application to the Board for an interim order pursuant to Section 75 of the Public Utilities Act approving, effective January 1, 2010, the rates, tolls and charges proposed in the 2010 amended General Rate Application (the "Interim Application").

In light of the Board's approval of final rates in Order No. P.U. 46 (2009), the matter of the Interim Application is moot. Accordingly, Newfoundland Power hereby withdraws the Interim Application.

We trust this is satisfactory.

Yours very truly,

Gerard M. Hayes
Senior Counsel
