

1 **Q. What consideration did NP give to its commitments under the Settlement Agreement**  
2 **when it applied for this present General Rate Application?**

3  
4 A. Newfoundland Power gave due consideration to its commitments under the Settlement  
5 Agreement when it filed the 2010 General Rate Application. The 2010 General Rate  
6 Application is consistent with Newfoundland Power's commitments under the Settlement  
7 Agreement.
