Requests for Information	NP 2010 GRA

1 **O**. Please provide a table showing the percentage rate increases relative to both 2 January 1, 2009 and July 1, 2009 rates for each customer class for different ranges 3 of consumption within each class. Also provide an indication of the percentage of 4 customers that fall within each consumption range. 5 6 A. Attachment A provides tables showing the percentage rate increases from the <>7 proposed rates relative to January 1, 2009 rates. <> The impact shown is for each 8 customer class broken down by different ranges of consumption within each class, 9 together with an indication of the percentage of customers that fall within each 10 consumption range. 11 12 Attachment B provides tables showing the percentage rate increases from the <>proposed rates relative to July 1, 2009 rates. <> The impact shown is for each customer 13 14 class broken down by different ranges of consumption within each class, together with an indication of the percentage of customers that fall within each consumption range. 15
