

1 **Q. When does NP expect to update its revenue and expense forecasts relative to the**
2 **2010 GRA?**

3
4 A. If an updated revenue or expense forecast is required to be filed Newfoundland Power
5 anticipates filing this information on or before September 29, 2009.¹

¹ This date is one week following the filing deadline for the settlement agreement. The week will be required to incorporate any items in the settlement agreement that directly or indirectly impact revenue and expense forecasts.
