

Q. Please provide the number of applications NP currently has on file from employees seeking employment with NP. Please separate the amounts of application by position and compare the numbers to those provided in CA-NP-58 in the last GRA which covered the period of applications kept on file for the period July 2006 to June 2007.

A. Table 1 shows the number of unsolicited job applications that Newfoundland Power currently has on file from prospective employees seeking employment with the Company compared to applications on file for the period July 2006 to June 2007. Applications are kept on file for a year from the date they are received.

Table 1
