

1 **Q. Please provide the system-wide reliability policy and standards for the Island**
2 **Interconnected System for: generation, transmission and distribution.**

3
4 A. There are no formal system-wide reliability policy and standards in place for the Island
5 interconnected system for generation, transmission and distribution.

6
7 For Newfoundland Power's perspective on reliability performance and service standards
8 generally, see the response to Request for Information CA-NP-178.
