2 **“Improved service and cost control are the foundation of customer operations**  
3 **performance of Newfoundland Power.”**  
4

5 (c) Does cost control remain a foundation of customer operations performance  
6 of Newfoundland Power?  
7

8 (d) Please detail the cost controls that Newfoundland Power has in place and  
9 explain how the same are reflected in the test year forecast.  
10

11 A. (c) Improved service and cost control remain the foundation of customer operations  
12 performance at Newfoundland Power. Accordingly, the Company’s continuing  
13 cost management efforts are focused on the overall impacts on cost and service,  
14 both short and long-term. The Company’s continuing cost management efforts  
15 are principally aimed at achieving sustainable cost efficiencies in its operations.<sup>1</sup>
