

1 **Q. Further to the reply of CA-NP-148, please detail all instances over the past 15 years**
2 **(a) where NP has provided assistance to other utilities outside of the province; (b)**
3 **where NP has been provided assistance by utilities from outside of the province.**
4 **Please provide the number of person hours expended.**
5

6 A. (a) Over the past 15 years Newfoundland Power has provided assistance on three
7 occasions to other utilities outside the province. Table 1 provides the information
8 requested with respect to these activities.
9

Table 1
Assistance Provided to Other Utilities in the Past 15 Years

Utility	Event	Year	Number of Person Hours
Belize Electricity	Hurricane Keith	2000	2,292
Caribbean Utilities Company	Hurricane Ivan	2004	16,984
Fortis Turks & Caicos	Hurricane Ike	2008	5,220

10
11
12 (b) Over the past 15 years, Newfoundland Power has not been impacted by a major
13 weather event such as a hurricane or ice storm that required assistance from other
14 utilities outside the province. On a number of occasions, Newfoundland Power
15 has provided assistance to and received assistance from Newfoundland and
16 Labrador Hydro.
