

Q. Regarding response to Request for Information CA-NP-108, please identify the number of Journeyperson Powerline Technicians and Apprentice Powerline Technicians were included in the 85 applicants for the Lineperson/Operations occupation for period July 2008 to June 2009.

A. The Lineperson/Operations occupation line consists of job applications for Powerline Technician, Apprentice Powerline Technician, Journeyperson Electrician, Apprentice Electrician, Millwright and Apprentice Millwright.

Table 1 provides a detailed breakdown of the job applications on file referred to under Lineperson/Operations for the period July 2008 to June 2009.

**Table 1
Job Applications on File
For Lineperson/Operations Occupation**

Occupation	July 2008 to June 2009 Number of Applicants
Journeyperson Powerline Technician	1
Apprentice Powerline Technician	1
Journeyperson Electrician	20
Apprentice Electrician	59
Millwright (Mechanical Maintenance)	1
Apprentice Millwright	3
Total	85

The Company recruits Apprentice Powerline Technicians by newspaper advertisement, as well as electronic advertisement on Workopolis and Newfoundland Power's website. While response to such advertisements typically includes a small proportion of Apprentices currently employed by other utilities, the bulk of responses and interviews are generated from Apprentice Powerline Technicians enrolled at the College of the North Atlantic.
