

1 **Q. Re 2011 AMR Project, Tab 4.3 (at p. 3)**

2
3 **Will NP have a means of verifying the amount of savings, if any, actually achieved**
4 **on a yearly basis from this project?**

5
6 **A.** Table 1 of the response to Request for Information CA-NP-34 includes the breakdown of
7 estimated annual savings.

8
9 Graph 1 at page 1 of *4.3 2011 AMR Project* shows the Company's meter reading
10 operating costs (on a per customer basis) from 2000 through 2009 on both an actual and
11 inflation-adjusted basis. The Company considers this evidence verification of savings
12 achieved by its initiative in deploying AMR meters to date. Such verification is expected
13 to be available in the future.
