2
3 **Has NP inquired as to whether the same or another manufacturer can supply a**
4 **refurbished unit?**

5
6 A. Yes. In developing the budget estimate for this project, Newfoundland Power inquired as
7 to pricing and availability of both new and refurbished bill inserter equipment from
8 multiple manufacturers.

9
10 If approved by the Board, Newfoundland Power will issue a request for proposals
11 regarding suitable new and refurbished equipment options. The Company's selection of
12 a replacement bill inserter will be based upon analysis of the costs and benefits of all
13 available options.
