

1 **Q. For each year from 2007 to 2011(F), please provide a listing of the capital projects**  
2 **that have been undertaken on the Kenmount Road parking lot and the cost of each.**

3  
4 A. From 2007 to 2011(F) the only capital project undertaken on the Kenmount Road parking  
5 lot was in 2009 when a section of concrete curb and sidewalk was replaced at a total  
6 capital cost of \$17,108. This work was undertaken to address safety hazards identified at  
7 that time. Prior to the start of the 2012 project, the condition of all concrete curb and  
8 sidewalk, including sections replaced in 2009, will be assessed and only those sections  
9 that are deteriorated will be replaced.
