**Attention: Ms. G. Cheryl Blundon**  
**Director of Corporate Services and Board Secretary**

Dear Madam:

**Re: Newfoundland and Labrador Hydro - 2013 Capital Budget Application**  
**Project D-161 (Corner Brook Frequency Converter Vibration System)**

At this time we write on behalf of the Island Industrial Customers, Corner Brook Pulp and Paper Limited, North Atlantic Refining Limited and Teck Resources Limited.

Further to the Final Submissions of Newfoundland & Labrador Hydro filed January 9<sup>th</sup>, 2013, and in light of the additional information and argument included therein (which was not otherwise delineated in Hydro's 2013 Capital Budget Application or its Responses to Requests for Information filed to date), the Industrial Customers withdraw their opposition to Project Proposal D-161 (Corner Brook Frequency Converter Vibration System).

We trust you find the foregoing satisfactory.

Yours very truly,

**POOLE ALTHOUSE**
