

1 Q. Re: 2013 Capital Projects 200,000 and Over but less than 500,000:

2 Explanations, pages D-123 through D-132 Replace Disconnects:

3 At page D-129, how does the vendor define an “operation”?

4

5

6 A. The vendor defines “operation” of a disconnect switch as the action of opening or
7 closing the disconnect’s switch blade. That is, opening and closing the switch blade
8 would be considered two operations.
