

- 1 Q. Re: 2013 Capital Projects 200,000 and Over but less than 500,000:
2 Explanations, pages D-245 through D-254 Replace Radomes:
3 At page D-251, Hydro outlines that the winter storm of 1996 caused significant
4 and sustained outage to the communications part of Hydro's communication
5 network. Was this 1996 winter storm the only outage since 1996?
6
7
8 A. There have been no other communication outages caused by radome failures since
9 the 1996 storm.
