

1 Q. Re: Upgrade Unit Vibration Monitoring System, Tab 9:
2 Does Hydro have a timeline or anticipated date for the complete cost and detailed
3 estimate it requested to the alternate turbine supervisory instrumentation system
4 supplier?

5

6

7 A. No, the alternate supplier, Hinz (Rockwell), indicated in their budgetary proposal
8 that the omitted items could be addressed in a future quotation but no date was
9 specified and no update or appended quotation has yet been received.
