

1 Q. 2013 Wood Pole Line Management (WPLM), Appendix B. At page B14, does Hydro's
2 presentation in figure 7 of "planned maintenance cost" include an estimate or
3 projection of "planned replacement costs" for poles? For "unplanned replacement
4 costs" for poles?

5

6

7 A. Figure 7 presents "planned maintenance cost", which includes WPLM inspection
8 and planned replacement costs as well as unplanned replacement costs. The Asset
9 Replacement value in Figure 7 represents the estimated cost of replacing the entire
10 asset, rather than the costs of replacing poles as a result of the inspection.
