

1 Q. **Isolated systems diesel and power purchase costs**

2 Hydro has discussed how it intends to allocate the deferred cost to the affected rate
3 classes but has not discussed determination of rate design for recovery. Please
4 elaborate on proposed rate design for recovery.

5

6

7 A. Hydro intends to apply to the Board for disposition of the deferred amounts at the
8 same time as it applies for RSP adjustments to NP. That is, Hydro will apply for
9 refund or recovery effective July 1.
