

1 Q. (Re: CA-NLH-126) Please discuss if any significant accounting or operational policy  
2 changes have been introduced by Hydro (i.e. changes in billing cycles) subsequent  
3 to the Lead/Lag study used to support the calculation of the Net Lag days used in  
4 this calculation.

5

6

7 A. Hydro has not identified any accounting or operational policy changes that would  
8 have a significant impact, subsequent to the Lead/Lag study used to support the  
9 calculation of the Net Lag days used in this calculation.
