

1 Q. (Re: Deferred Charges - Table 3.9 Page 3.30)

2 Hydro includes in the CDM deferred charges an amortization amount for CDM of
3 \$0.2. Please provide an explanation and detailed calculation for this amount and
4 confirm if the related depreciation amount is included in the 2013 operating
5 expenses.

6

7

8 A. For an explanation of the CDM amortization amount of \$0.2 million, please see
9 Hydro's response to IN-NLH-010.

10

11 The recovery of this amount is not included in operating expenses; Hydro proposes
12 to recover the \$0.2 million through a rate rider.
