

1 Q. **Other**

2 Further to CA-NLH-254, please provide an updated answer in light of Hydro's plans
3 to step up hiring in 2015 from 865 FTEs in 2014 to 903 in 2015.

4

5

6 A. The percentage of Hydro's workforce¹ with less than ten years of service is
7 anticipated to be approximately 55% as opposed to 50%, which was based on a
8 2013 Test Year.

¹ Estimates are reflective of permanent and permanent part-time workforce and include retirement and new hire projections.
