8 A. Hydro confirms that the response to CA-NLH-285 includes all revenues, and all
9 purchases, from these customers.

10

11 Hydro is committed under its Power Purchase Agreement with CBPP to purchase
12 energy from its cogeneration unit whenever energy is available.

13

14 CBPP cogeneration was not included in Hydro's response to CA-NLH-284 as Hydro
15 had not interpreted the question to be asking for it specifically. Hydro's response to
16 CA-NLH-284 requested "payments for various services (i.e., capacity assistance)".
17 The request did not require information related to purchases of CBPP cogeneration.
