

1 Q. **Reference: Exhibit 4 page 12 – section 3.3.3.**

2 Please confirm that the non-firm “administration fee” is solely implemented as a  
3 cost recovery charge (and not an added form of new net revenue to Hydro).

6 A. The administration fee is intended to recover the costs of System Operations, billing  
7 and other costs associated with providing non-firm service. It is not, however,  
8 calculated with reference to specific costs incurred.
