

1    Q.    Per Page 4.19 of the GRA, please indicate if Hydro is requesting an “Energy Supply  
2           Price Variation” measure for every purchased power source, or only for those  
3           whose rates are not set by government.

4

5

6    A.    Hydro is requesting an “Energy Supply Price Variation” measure for every  
7           purchased power source, including those whose rates are set by Government.
