

1     Q.     Further to RFI IC-NLH-166, please explain why capacity values in 2015 have gone  
2             down by such a large degree simply by the installation of the new combustion  
3             turbine?

4

5

6     A.     Please see Hydro's response to IC-NLH-166.
