

1 Q. Further to IC-NLH-99 (Rev 1) Attachment 1: Please provide list of disposals and
2 associated asset values related to the Corner Brook Frequency Converter since 2012
3 to date, including any disposals (transformer and other) related to the fall 2014
4 outage.

5
6

7 A. Please see the table below for a listing of all disposals and associated asset values
8 related to the Corner Brook Frequency Converter since 2012 to date. There are no
9 disposals relating to the fall 2014 outage as a decision is still pending regarding the
10 faulty transformer.
