

1 Q. **Re: Rates Schedules, page 22 of 47.**

2 Please confirm that “Hydro rural customers,” defined as regulated customers
3 served by NLH other than Industrial customers and Newfoundland Power, includes
4 customers served both by the Labrador interconnected system and by Labrador
5 isolated systems.

6

7

8 A. Yes, Hydro Rural customers include customers served both by the Labrador
9 Interconnected System and by the Labrador Isolated Systems.
